

Interest Form For Enrollment

Laker Prep Preschool

Enrollment Ages Four and Five and After School

Child(ren): _____ Birthdates: _____

Parent(s)/Guardian(s): _____

Phone: _____ Email: _____

Preferred start date is: _____

Preferred Attendance Days/Week _____

*Children wishing to be enrolled full time will be placed first.

*We will make every effort to place part time students, as we find other families that wish to be enrolled on opposite days as your family.

- Laker Prep ECC will be open year around, with exception of some scheduled holidays and training/maintenance days. Operation hours will be 7:30a.m. to 5:30 p.m.
- **Enrollment Deposit:** Once a family has been offered enrollment, a start date will be agreed upon by family and director, and has 30 days in which to start. At that time, families enrolling children will be asked to place a deposit equivalent to one week's attendance at Laker Prep Preschool, according to the age of the child upon enrollment. Should a family choose not to enroll within this time frame, their deposit is then forfeited, or can choose to continue to pay the weekly rate, until their desired start date. A family wanting to be placed at a later date, a new interest form will need to be placed with the center, to be on the wait list.
- Deposits for enrollment will be kept in a separate account, until the final week of attendance at Laker Prep Preschool, and applied at that time, given the two week, end of care policy is followed, or child is entering Kindergarten, whichever comes first.
- Deposits can be sent to or dropped off at:
Laker Prep Early Childhood Center: 551 11th Ave. Detroit Lakes, MN 56501
- Accompanying enrollment forms will need to be filled out and on file at Laker Prep prior to the first day of enrollment, if they are not already on file. Forms can be obtained at **lakerpreppreschool.com** or by contacting Laker Prep.
